

PROBABLE CAUSE

“Dance ‘til Ya Drop!”

Dear Sir or Madam,

I am writing to you to explore the performance opportunities for the classic / good time rock and roll act **Probable Cause**.

The band’s set has a wide audience appeal, and includes dance and rock standards from the ‘50’s through 2017 as well as some original music.

If your venue, club, or promotional event would be enhanced by the addition of energetic, live entertainment, I’d like to invite you to consider **Probable Cause**.

For your convenience and evaluation, demonstration songs, a brief biography of the band members as well as several of articles on **Probable Cause** are available in our Electronic Press Kit on our website at: www.probablecause.com/press.

Probable Cause promotes all of our performances on several social media websites as well as Portland based music specific websites and Gigmasters which is a national events website.

If you would like to arrange a booking, or have any further questions, please feel free to contact Greg Dawson, at (503) 502-3310 or e-mail greg@probablecause.com.

Thank you for your consideration.

Sincerely,

Greg Dawson,
Probable Cause
